

Linking Mastatest client with distributor portal:

To connect a new client with a distributor portal, the client must have:

- **Distributor provider code** – provided separately for security purposes.
- **The lapbox ID** – from the lapbox screen either on start up or under menu – lapbox information
- **Serial number** – found on the rear of the lapbox

www.mastatest.com:
Client selects 'Register', and then 'Create Account'

Enter email and country, select 'No Code'?

Account details

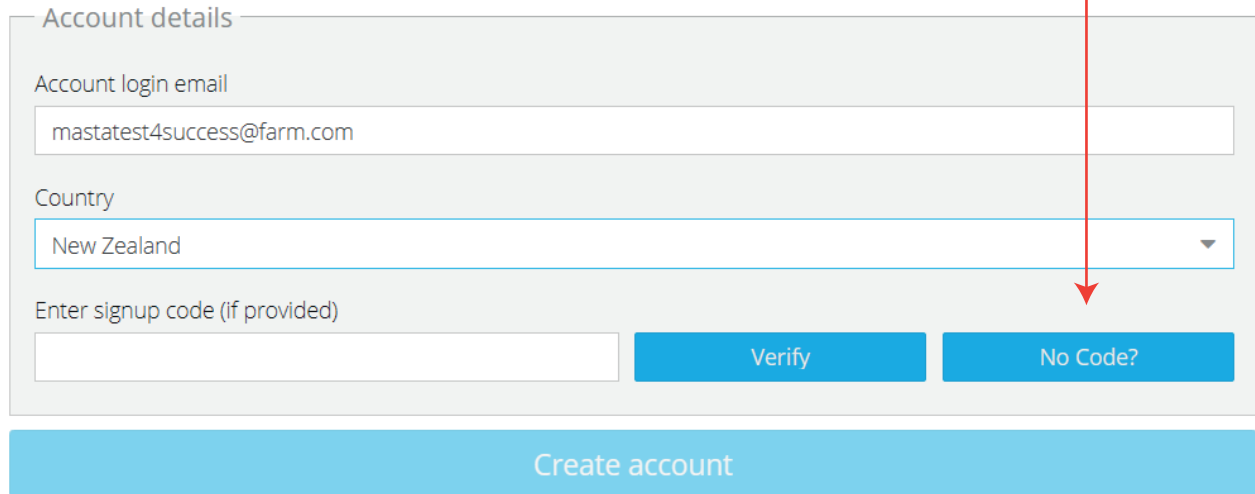

Account login email

Country

Enter signup code (if provided)

Verify No Code?

Create account

Enter details and the assigned Provider code.

Enter details

First name

Last name

Phone number

Company name

Street

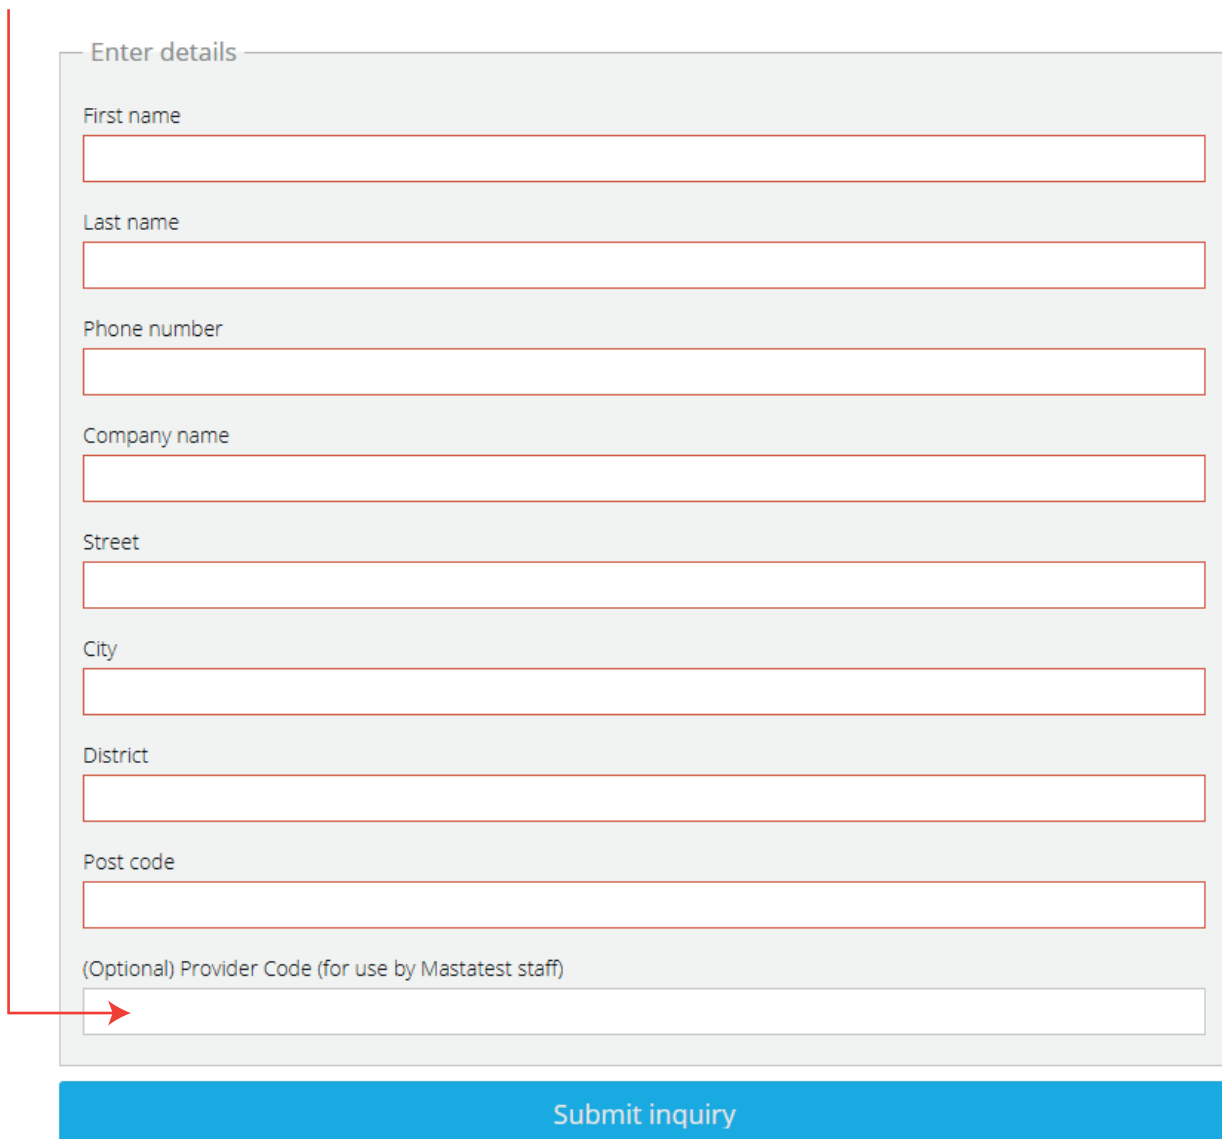

City

District

Post code

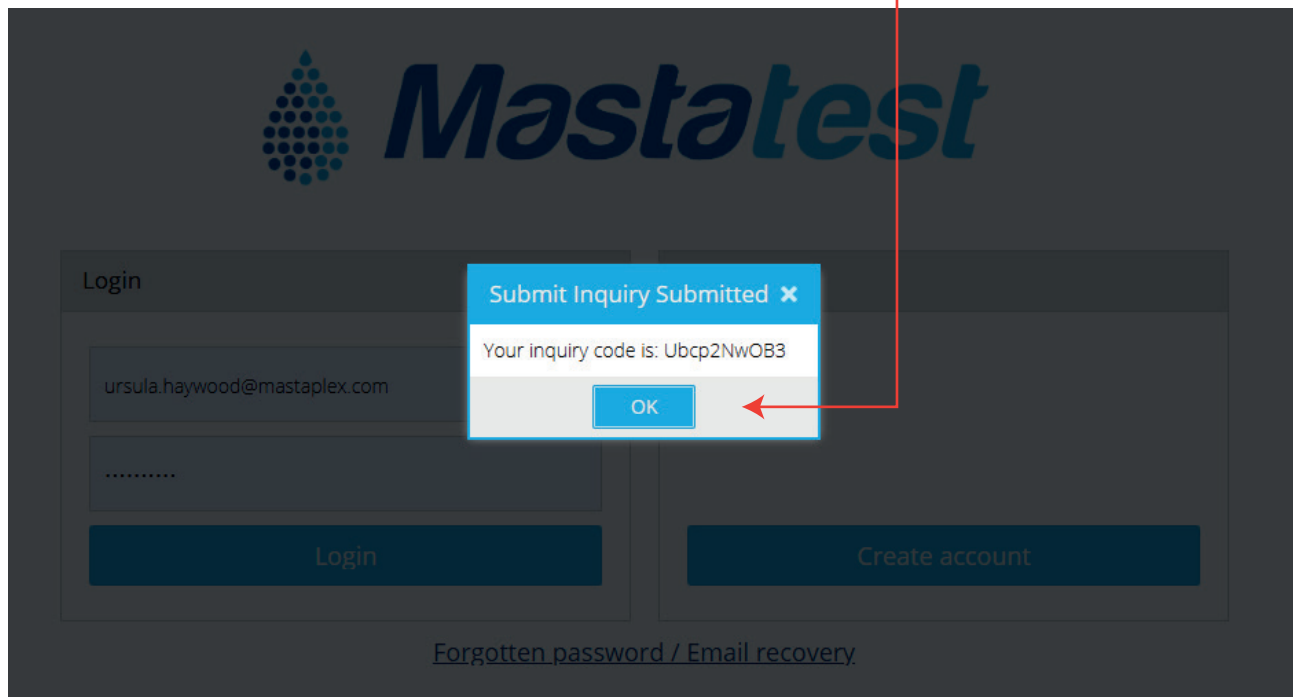

(Optional) Provider Code (for use by Mastatest staff)

Submit inquiry

Then select 'Submit Inquiry'.

An 'inquiry code' will be generated. Select 'OK'.

The code is automatically populated into the following step under 'sign up code'. Select 'Verify'.

A screenshot of the Mastatest account creation form. The form is titled 'Account details' and has three main sections. The first section is 'Account login email' with a text input field containing 'mastatest4success@farm.com'. The second section is 'Country' with a dropdown menu showing 'United States'. The third section is 'Enter signup code (if provided)' with a text input field containing 'Ubc2NwOB3'. To the right of this field are two buttons: 'Verify' and 'No Code?'. Below the form is a large blue button labeled 'Create account'. A red arrow points from the text 'Select 'Verify'' to the 'Verify' button.

Finish entering details and create password as prompted:

Enter contact details

First name
Ursula

Last name
Haywood
